

# PDX Pressure Wash

The cleanest call you'll ever make...

They say image is everything... and it's a pretty true statement when you get right down to it. While your vehicles travel around the city and while they're in front of your building or at a job site, they speak volumes to your potential customer, your employees, and anyone who sees them.

Running a business, you've got enough to keep you (and your employees) occupied. Keeping your fleet clean is one of those things that needs to get done, but often gets back burned while you're running day to day operations.

Help is only a call away...and it's the cleanest call you'll ever make!

PDX Pressure Wash will work with you to keep your fleet sparkling, without disrupting the flow of your business. With PDX Pressure Wash...

- You'll eliminate the hassle of traveling off-site for fleet washing.
- Reduce the cost of keeping your vehicles clean, because you and your employees will be engaged in revenue generating and customer service activities.
- You'll extend the life of your heavy equipment by cleaning and removing corrosive and damaging grease, grime and oil.
- You'll deliver a more professional and clean image, and company pride will be enhanced.
- Pressure cleaning services will be delivered when and where you need them without disrupting the flow of your business.
- ...and you'll always be greeted with a ready smile and an easy to work with partner to help you uncover and maintain the shine of your fleet and your message to the public.
